- v. Development Stream (DS) to a maximum of 1 team per division

Where sufficient registration does not warrant these participation levels, the Vice President House League can sign off on not operating to these maximum levels. Where there are more than these maximum levels, additional participants can be accepted provided the Executive approves and there is sufficient ice available to run the Competitive and Intermediate AA programs.

23.3 In order to continue to develop the quality of competitive hockey, the Board of Directors shall run one (1) competitive team at U9 and two (2) competitive teams at the U11, U13, U15 and U18 levels. This would only be done to ensure teams operations – NOT TO IMPROVE COMPETITIVENESS. The Vice President Competitive must approve player numbers on teams with approval of the Executive. Where sufficient participants are available to form additional teams and the House League and Intermediate AA Programs can operate that the levels prescribed in 23.2, additional competitive teams can be added at the discretion of the Executive. 23.6 Ice for the Intermediate AA program is expected to be found outside of the normal ice contract between the GKGHA and the City of Kingston. Should insufficient ice be allocated by the City of Kingston to run the IAA team, teams listed in 23.2 and 23.3 shall be allocated ice from the GKGHA ice contract before ice is allocated to IAA team.

23.7 Fees for participants shall be calculated on a fair basis using a “pay as you play” philosophy. Wherever possible, costs for ice time, referees, time keepers, insurance, OWHA fees, clinics, power skating, team staff costs, jerseys and other items will be attributed directly to the team. General administrative costs to run the organization shall be shared equally across all teams. Revenue from tournaments or other special events shall be attributed to the program that manages and runs the tournament or special events. Fees cannot be charged to one program (House League, Competitive or Intermediate AA) to support the operations of another program unless signed-off by the Vice President of the program being charged.

23.8 On an annual basis, through posting on the website or presentation at the AGM, the Executive of the GKGHA must provide a reconciliation of hours used by each HL division, competitive team and Intermediate AA team against allocated and budgeted costs and provide a reconciliation of revenues and costs for each of the three programs (House League, Competitive and Intermediate AA).

24. ERROR OR OMISSION IN NOTICE

24.1 The accidental omission to give notice of any meeting or the non-receipt of any notice by any member or members shall not invalidate any resolution past or any proceedings taken at any meeting.
